\$1.50 Here is a misses' shoe made of genuine calfskin, heavily extended sole, and a new heel for this season, in sizes 1, 1 1/2, to 2, that we believe will make your girl the best school shoe she ever wore.

\$2.00 Our boy's Armoored Cruiser shoe at this price made of heavy veal stock and with the sole made by steel circlets is a shoe made for wear and that does wear. You can buy these shoes only from us.

Since sending out on Tuesday the printed book describing the trials of Tommie and Josie we have been overwhelmed with requests from the children for more copies. We regret that the supply of these books is exhausted and there are no more for distribution.

AUDITOR'S AGENT WINS FIRST BLOOD.

In the suit of Auditor's Agent Guy H. Briggs v. City of Frankfort to compel the city to pay tax on the Opera House, in the County Court, Judge J. H. Polgrave decided, on Monday, that the city was liable for tax on \$9,000 worth of property for five years, making a total of \$45,000, which at 50 cents on the \$100 will make the comfortable sum of \$1,250.

The query comes up where is the money to come from to pay this sum? The city is bankrupt now. Cannot pay her officers, and their claims are being shaved right along.

Of course, the case will be appealed, and will probably be starting off the civil day. It does seem like everything that can be taxed is coming under the ban, and even then the expenses keep ahead of the receipts. At this rate a receiver will have to be appointed before a great while.

SALE OF OLD-TIME FURNITURE.

Having rented her house, Mrs. Sun Steele will offer for sale, on Thursday, Sept. 24, a considerable quantity of old-time, valuable furniture. This is a rare opportunity for collector to obtain bargains.

BADLY BURNED.

When Mrs. Samuel Shea went to light the gas stove in her kitchen, on Sunday, there was an explosion which burned her quite severely about the head, hands and neck. Leakage in the pipes caused the trouble. Medical attention was at once rendered.

AN APACHE PRINCESS.

Monday was observed, to a limited extent, as Labor Day. The banks, postoffice, and State public offices were closed. That's all.

SPRAINED ANKLE.

Mr. Sterling, the advance agent of the Harris-Parkinson Stock Co. (which opens the amusement season on Monday night, at the Opera House), was so unfortunate as to sprain his ankle on Sunday last.

Dr. J. S. Demarre attended to his injuries, and Mr. Sterling is doing very well.

21 YEARS A DYSPEPTIC.

R. H. Foster, 318 S. 2d St., Salt Lake City, writes to say he has been bothered with dyspepsia or indigestion for 21 years; tried many doctors without relief; recently got a bottle of Herbin's. One bottle cured me. I am now tapering on the second. I have recommended it to my friends; it is curing them too. See, at Paul B. Wetzel's.

COUNTRY CUTTING SCRAPE.

The colored contingent had a picnic near Bridgeport on Saturday. That evening three colored men, Ezra Vaughan, James Shanks and John Russell became involved in a difficulty, in the course of which Vaughan was out on the right cheek with a razor and shot through the right breast.

Shanks and Russell were arrested and jailed to await the result of Vaughan's wounds, which are very serious.

DEVOURED BY WORMS.

Children often cry, not from pain, but from hunger, although fed abundantly. Their infant trouble arises from inanition, their flesh not assimilated, but devoured by worms. A few doses of White's Cream Vernifuge will cause them to cease crying and begin to thrive at once, to the much to the surprise and joy of the mother. 25¢ at Paul B. Wetzel's.

ABUSING FAMILY.

A man and his family, traveling in a wagon through the country, camped near the reservoir, on the Louisville pike, on Saturday night. Sunday morning the man loaded up on booze and began abusing his wife, throwing a skillet and some dishes at her. The frightened woman ran to the residence of Mr. W. H. Hawkins, near by and a gentleman passing noticed the authorities when Jailer M. L. Lawrence, went out and arrested the brute. He was found with a big 44 gun.

CIRCUIT COURT.

Monday next will be the opening day of the September term, of the Franklin Circuit Court, which will continue for three weeks. There is a heavy docket of civil cases and a moderate criminal docket. It promises to be a busy term for both lawyers and litigants.

DAREDEVIL DOROTHY.

Among the very strong list of attractions booked for the Capital Theatre by Manager McNamara is the latest English success, "Daredevil Dorothy." This play is now in its third year in England. Fred G. Berger and T. H. O'Neill were the successful bidders for the rights of the play in the United States and Canada. From all accounts this play is a decided novelty, as it appears to embrace nearly every phase of stage representations. There are no scenes ending with a stirring melodrama scene; the plot is a strong one and the whole is replete with musical specialties and sparkling comedy. No doubt Berger and O'Neill have secured a winner.

GUILD ENTERTAINMENT.

The Ladies' Guild of Ascension Episodical Church will give a delightful entertainment at the residence of Mrs. Mary Heusley, on Tuesday evening. An attractive musical program has been arranged and delightful refreshments will be served. The entertainment is for the benefit of the mission fund. Admission 25 cents.

Everybody invited.

A REMARKABLE RECORD.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and leading remedy for the chamberlain's cough in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When used as directed the chamberlain's cough, even though as chronic as ours, will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all druggists.

SELBERT

Prepared For the

RISE IN

DIAMONDS

The fact that Diamonds are good property is known by nearly everyone, but very few understand how really good they are and how fast they are increasing in value.

Their Rise In Value.

The number of Karats found last year was not quite half the output of 1898, and they sold for almost as much. The mines, too, are very much deeper and the cost of mining is increasing. The recent advance in New York of 10 per cent. is an index of what may be expected at short intervals.

Our Stock.

We purchased a large stock before the rise, and while this lasts we can make slightly lower prices than the New York wholesalers, and we advise purchasing now.

A Guarantee of Value.

As an evidence of our belief in the permanency of this advance, we contract to exchange solitaire diamonds at full value price paid us for them. We place no limit on this guarantee.

Buying Back For Cash.

Many people who recognize the genuine help diamonds are in promoting confidence and success, hesitated to invest in them for fear of sudden need for money might come. For such emergencies we have perfected our money-back plan. Any solitaire diamond bought here may be returned within a year, and we will refund 90 per cent. of its cost. We honor the contract in cash and on presentation.

PRETTY BAD STORM.

About 5 o'clock, on Wednesday morning, heavy black clouds gathered in the west, and loud peals of thunder gave every indication of a stiff storm.

However, a big wind soon blew the clouds further west and precipitated a cyclone at the little settlement of Benson.

Two barns, belonging to our good old friend Judge Dan Moore, filled with tobacco, were blown down and the contents badly damaged.

The barn of Mr. Jeff Smith was blown down and its contents, consisting of buggies, wagons, and agricultural implements, were smashed to kindling wood.

A number of other buildings were unroofed and otherwise damaged.

Altogether it was about as severe a storm as has visited that section in many long years.

It was followed by a heavy rain, which was of considerable benefit to the farmers.

DR. C. C. LEWIS.

We publish in another column an account taken from the Owensboro Messenger, of the death of our friend, Dr. C. C. Lewis, and put on record our sorrow at this sudden and untimely death, and our affection and esteem for this friend. He had hardly reached his 40th year, and was in the very height of an earnest, laborious and most successful life, and surrounded by those he loved and who loved him with surpassing affection; he had won the confidence of the community and confidence of his community and his acquaintances, and the love and gratitude of his patient and their families; and, humanly speaking, there stretched out before him a long and successful future in a loved profession and a life of honorable success, increasing influence and larger happiness. In a moment, without a struggle, free from pain, but also free from the two agonies of this life to the eternal glory and ineffable bliss of the life to come. For those he left behind our heart bleeds; to them we hold out loving sympathy and tender love. And yet, the memory of a pure life and noble career; the inestimable influence of an honorable name and a loving association; the unchanging influence of a spotless example and unselfish devotion.

Many years ago, when a small lad, I knew his scholarly and elegant grandfather; when a youth, just coming into the duties of life, his manly and earnest father was our friend; and during the years of the Civil War, his brother, a beloved comrade, and, since the summer, have been unselfish and loving friends, and he was our friend under all circumstances and at all times; and we feel as if we had lost a near and beloved relative; and mingle our tears with those who loved him.

JUST RIGHT.

We are truly glad that Bishop Hendrix returned Rev. C. J. Nugent to the charge of the Methodist Church in this city for another term. Mr. Nugent is a fearless and pious Christian gentleman, who has won the respect of every one who has come within his acquaintance since he became pastor here a year ago.

HARRY BERESFORD.

Love, the ever resourceful theme of the playwrights will have a capricious exponent through the quaint personality of Harry Beresford, who for this season's offering, will give the theatregoing public a clever conception of Professor Goodwillie, J. H. Barrie's brightest work, "The Professor's Love Story." Those who have seen this same author's play, "The Little Minister," and have read his great character sketches may well anticipate a treat. The Professor, as played by Mr. Beresford, will give in a conception that may be classed new to the stage.

THE GENUINE vs. COUNTERFEITS.

The genuine is always better than the imitation, but the first statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Lethbridge, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, Itching and proutruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by J. W. Gayle.

The abuse of the delicate organ, the eye, is a prevalent sin of this age and country. The Germans, appreciating its delicate structure and sensitiveness, had a wise saying: "Touch not the eye except with your elbow." That is equivalent to saying, don't touch the eye at all.

It is still further erution in reference to the eye is illustrated in the example of the man who, having eyes that were so bad that he could not see through them, had a wise saying: "Touch not the eye except with your elbow." That is equivalent to saying, don't touch the eye at all.

Another fatal mistake is made by clinging too long to a favorite pair of glasses, and so abusing the eyes that the condition of sight perfectly

is destroyed. Those who ignore the condition of sight perfectly

are liable to get into a bad condition of eyesight.

Consumption

The only kind of consumption to fear is "neglected consumption."

People are learning that consumption is a curable disease. It is neglected consumption that is so often incurable.

At the faintest suspicion of consumption get a bottle of Scott's Emulsion and begin regular doses.

The use of Scott's Emulsion at once, has, in thousands of cases, turned the balance in favor of health.

Neglected consumption does not exist where Scott's Emulsion is.

Prompt use of Scott's Emulsion checks the disease while it can be checked.

FRENCH LICK AND WEST BADEN SPRINGS

In the highlands of Indiana—a two hour ride from Louisville there flow wonderful healing waters, that you'd spend hundreds of dollars to enjoy if they were in Europe.

A recent visitor from Philadelphia, who formerly went to Carlsbad every year, said: "I do not see why anyone goes to Europe for medicinal waters. The water is as beneficial, and the scenery and surrounding country, the air and the opportunities for recreation are better; the hotels and accommodations are much finer at French Lick-West Baden Springs"—and this gentleman is a native of Switzerland.

This splendidly wooded hills with the cool, invigorating air of these highlands where one can enjoy embalms in the depths of the forest, or ride and drives among the trees, and the water is as good as any in Europe for those who desire rest and quiet; while at the splendid and elegant one can have all the entertainment and social pleasures possible in the most fashionable resorts.

A NOVEL THEATRICAL ATTRACTION.

An attraction, which is reported to be one of the few novelties of the present theatrical season, will be one of the early offerings at the Capital Theatre. The plot and play are something new, as in the unravelling of the story every branch of stage work is represented by the characters in the play. For those liking action there are strong melodramatic climaxes; for lovers of comic opera, charming operatic scenes; admirers of rich comedy are well supplied, while those enjoying a bit of variety will revel in superior singing and dancing while a touch of vaudeville is given in the circus scene in the last act. The title of this unique attraction is "Dare Devil Dorothy" and is styled by its authors as a melodramatic musical comedy novelty. The scenes are located in England and Australia and are said to be exceedingly realistic. A superb and expensive company has been organized by the managers, Messrs. F. G. Berger and H. T. O'Neill, who have secured a big winner in "Dare Devil Dorothy." The company is booked for the run in New York beginning at an early date.

FALL SPICES.

Good spices are desirable at any time, but are especially necessary now, to reward the efforts of your care and labor during the canning and pickling season may depend upon them. We buy spices as carefully as we do dried fruits. We have results to show for our caution. Grocers and other dealers have no means of knowing whether or not their spices are pure and good. Our spices go farther and give better results, and hence would be cheapest if our prices were higher which they are not.

VINEGAR.

Pure old apple vinegar is another good article to have in the kitchen. We would like to have you come in and test the kind we carry. Guarantees are given as to the quality and as for flavor it surpasses anything that you can get in town.

WOMEN'S SYMPATHY.

Frankfort Woman No Exception.

How much we owe to the sympathetic side of womankind! When others suffer they cheerfully lend a helping hand. They tell you the means which brought relief to them that you may profit by their experience. Help the testimony of a Frankfort woman.

Mrs. Margaret Weitzel, of 318 Mero street, wife of Lucas Weitzel, baker by trade, now retired, says: "For a number of years I suffered from persistent indigestion, across the back and through the kidneys. At times my back was so bad that I could hardly sit still, get up or down, or lift anything even of ordinary weight. At night the pain was so bad I could not rest comfortably and when I first arose in the morning I felt tired and worn out. The kidney secretions were irregular, highly colored and distressing, and on standing depressed a heavy sediment. I saw Doan's Kidney Pills advertised in the paper at J. W. Gayle's drug store and began to use them.

In a few days I noticed that the secretions had assumed a natural appearance, the pains and aches had disappeared, and I felt well in a day or two after completing the treatment. Noticing pleasure and more time to speak of much, 75 cents. At all druggists.

For sale by all dealers. Price 50c. For sale by all agents for the United States.

GERMAN SYRUP.

We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market to-day that does relief and cure the consumption, and the specific, such as pure tartar, extracts of gums, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical connoisseurs. The consumptive, whether young or old, must have rest at night, and he free from the spasms of dry and hacking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient must have a good, moist, cool, German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles 25 cents; regular size, containing nearly four times as much, 75 cents. At all druggists.

WOMEN'S SYMPATHY.

Is Proverbial.

Frankfort Woman No Exception.

How much we owe to the sympathetic side of womankind! When others suffer they cheerfully lend a helping hand. They tell you the means which brought relief to them that you may profit by their experience. Help the testimony of a Frankfort woman.

Mrs. Margaret Weitzel, of 318 Mero street, wife of Lucas Weitzel, baker by trade, now retired, says: "For a number of years I suffered from persistent indigestion, across the back and through the kidneys. At times my back was so bad that I could hardly sit still, get up or down, or lift anything even of ordinary weight. At night the pain was so bad I could not rest comfortably and when I first arose in the morning I felt tired and worn out. The kidney secretions were irregular, highly colored and distressing, and on standing depressed a heavy sediment. I saw Doan's Kidney Pills advertised in the paper at J. W. Gayle's drug store and began to use them.

In a few days I noticed that the secretions had assumed a natural appearance, the pains and aches had disappeared, and I felt well in a day or two after completing the treatment. Noticing pleasure and more time to speak of much, 75 cents. At all druggists.

For sale by all dealers. Price 50c. For sale by all agents for the United States.

Remember the name, Doan's, and take no substitute.

THE PROPER TREATMENT
FOR A SPRAINED ANKLE.

As a rule a man will feel well satisfied if he can hobble around on crutches for a few days after spraining his ankle, and it usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balsam has been properly and carefully applied a sprained ankle has been effected in less than one week's time, and in some cases within three days. A PURGATIVE PLEASURE.

If you ever took DeWitt's Little Early Riser for biliousness or constipation, you know what a delicious pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not grip, stick or weaken, but give a strong grip to the bowels and organs involved. W. H. Howell, of Houston, Tex., says: "No better pill can be used than Little Early Riser for constipation, sick headache, etc." Sold by J. W. Gayle.

RAISED FROM THE DEAD.

C. W. Landis, "Porter" for the Oriental Hotel, Cheviot, Kan., says: "I know what it was to suffer with constipation. I did, myself, take a bottle of Balsam of Tartar Liniment and I was 'raised from the dead.' I tried to get some more before I had 'deposited' of my bottle, I was cured entirely. I am still in debt to you, 25¢, 50¢ and 75¢ at Paul B. Weitzel's."

COUNTY CLERK.

We are authorized to announce N. B. SMITH, Esq., as a candidate for re-election as County Court Clerk, subject to the action of the Democratic primary.

52-2.

OPENING OF SEASON.

On Monday evening Sept. 14, 1903, the doors of the Capital Theatre will be thrown open to the theatre-going public of Frankfort and vicinity. A large force of workmen have been engaged in improving the interior of the theatre, during the past two weeks and on Monday night, it will doubtless compare favorably with any theatre in Central Kentucky. The lighting and heating system has been greatly improved, and numerous other much needed improvements made.

The theatrical season of 1903-4 will open with the celebrated Harris-Parkinson Stock Co., in one of the strongest plays of their splendid repertoire "Slaves of the Orient," which enjoyed a run of 230 consecutive nights on Broadway in New York City, and which is said to be one of the strongest plays ever put on by a popular priced repertoire company.

During the week such high-class royalty plays as "Resurrection," "The Little Minister," "The White Squadron," "The Commodore," "A True Kentuckian," will be presented. The people's prices will prevail all week, 100, 200 and 300, and on Monday night ladies will be admitted free, if accompanied by a paid 30¢ ticket, provided same is reserved at Barrett's before 6 p.m., Monday, Sept. 14.

In addition to booking all the leading popular-priced attractions, Manager McNamara has also secured for the Capital Theatre some of the most notable plays that have ever visited Frankfort, and several that the local theatre-goers have never before been fortunate enough to witness unless they went to Louisville or Cincinnati to do so. It is to be hoped that the theatre-going public will show their appreciation for his efforts to please them by patronizing the splendid shows that will be brought here this season.

Among the most notable attractions that has been booked at the Capital Theatre are:

Harris-Parkinson Stock Co.

Peck's Bad Boy.

LATEST FASHION NOTES.

A Waist With Novel Fichu.

Leg-of-mutton sleeves promise to be very popular this summer, and are seen in the bodice here depicted. The principal feature of this waist is the novel fichu, which extends well out on to the shoulder and meets in a point just above the waist line. Tucks also add to its further decoration, and are used to

good effect in the upper part of the sleeves.

Elbow sleeve, bracelet, and mitt are coming into vogue. Of mitt there are many kinds shown, but the most durable and beautiful are those which are of very fine hard twisted silk in very fine meshes. These are embroidered by hand after they are made.

ANCIENT TORTURE

How it has Been Revived in Modern Times.

An ancient method of poisoning criminals was to force them to swallow large quantities of bull's blood. Bull's blood is really no poison at all. Yet the prisoner usually died in agony. This was caused by the coagulation or hardening of the bull's blood in the stomach. In the process of this the stomach is almost always ruptured fatally. That's just like indigestion. If your food doesn't digest it remains in a hard lump in the stomach. Gases are formed, which crowd and sometimes stretch the stomach. In the cases of supposed heart disease are due to indigestion. The pressure upon the lungs interferes with breathing. A disordered stomach affects the whole body.

By the use of such a preparation as Kodol Dyspepsia Cure, the stomach is relieved. Before food can be assimilated into the system it must be reduced to proper condition by the digestive fluids. If any of these fluids are lacking perfect digestion is impossible. Kodol Dyspepsia Cure supplies the missing fluids. Stomach troubles can't be cured by dieting. The system demands both a sufficiency and a variety of food. You can't get well or stay well without it.

Kodol Dyspepsia Cure enables the stomach to work properly and digest food.

It renders dieting unnecessary. It digests what you eat. In this way it rests the stomach. This rest soon restores the stomach to perfect health.

Kodol Dyspepsia Cure helps the stomach to work properly. It cures indigestion, heartburn, flatulence, etc. It cures the stomach in children. It cures the stomach in adults.

"During the last few years my stomach was in such condition that I couldn't retain the food I ate," writes Henry Williams of Bonville, Mo. "Two months ago I commenced taking Kodol Dyspepsia Cure. In a few bottles it cured me entirely. I can eat and enjoy anything I want."

MORPHINE.

Can Morphine and Other Drug Habits Be Cured?

It has been long contended by physicians that there is no cure for the drug habit. This is true so far as the rank and file of the medical profession are concerned. The reason therefore, is that they are ignorant of the full scope and nature of the disease; but fortunately for the cause of suffering humanity we have demonstrated that the morphine or other drug habits can be cured and guarantee an absolute, permanent and painless cure to those addicted to the use of drugs if they will take our treatment and follow our instructions.

Each case submitted to us receives individual attention and treatment from an experienced nerve specialist. We do not detail you from business. We give immediate relief. Appetite for drugs is destroyed and appetite for food is restored.

Write to-day for our free booklet and free trial treatment. All correspondence strictly confidential in plain envelopes. Address MANHATTAN THERAPEUTIC ASS'N, Dept. B., 1135 Broadway, New York City.
